INVESTIGATING OUTSIDE THE BOX

AT ICORP INVESTIGATIONS, WE BEGIN EACH INVESTIGATION ASSIGNMENT WITH DIRECT COMMUNICATIONS WITH THE CLAIMS HANDLER TO DEVELOP A PRECISE STRATEGY IN ORDER TO ACHIEVE THE OVERALL OBJECTIVES. OUR INVESTIGATORS WILL ESTABLISH A DETAILED AND THOROUGH ACTION PLAN THAT WILL ENSURE ALL ASPECTS OF YOUR INVESTIGATIVE NEEDS ARE MET. THE PARTNERSHIP WITH OUR CLIENTS ASSISTS THE CLAIMS HANDLER IN MAKING AN INFORMED DECISION NECESSARY FOR A POSITIVE AND COST EFFICIENT OUTCOME.

Our highly experienced investigative team is trained to think "outside of the box". The investigators are educated in all areas of the claims process to include the obvious and the hidden areas sometimes overlooked. We implement a fact based, evidentiary strategy to investigate all your claims. Our team utilizes innovative technology and instinct to produce the highest quality investigation and all investigations are completed within statutory compliance and any applicable laws.

ICORP Investigations is committed to fully servicing our clients with all their investigative needs. We exclusively employ direct and highly experienced investigators that specialize in Worker's Compensation; however, they are also cross trained in multi-lines to aid in their investigations.
